Announcing the inaugural educational program of the Rocky Mountain Chapter  
of 7x24 Exchange  
Colorado Springs Satellite

---

## **“Un-Planned Outages”**

The first 7X 24 Exchange educational program to be presented in the Colorado Springs area will be held on April 28th. The program will cover research, readiness, risk analysis, recovery and remediation procedures associated with Un-Planned Outages. This is the first of a two part series, so please mark your calendar and plan on attending these informative sessions.
