7x24 Exchange Rocky Mountain Chapter is pleased to announce our summer program

“Data Center Site Selection”

The program will explore location, climate and renewable energy for making data center site selection:

“Trends in Data Center Site Selection”

“Locating Your Data Center in Colorado: The Advantage of the Rocky Mountain Climate”

“Xcel Energy and Colorado’s Clean Energy Future”

Presenters:

Pat Lynch, RPA, FMA—Grubb & Ellis
Tim Chiddix, PE, LEED AP—Swanson Rink
David McMillan—Xcel Energy

Beat the traffic and please join 7x24 for breakfast at the foot of the majestic Flatirons in Boulder.

Date: Tuesday, June 8, 2010

Registration & Breakfast:
7:15AM – 8:00AM

Breakfast will be provided.

Program:
8:00 AM – 11:30 AM

LOCATION: Discovery Center
4001 Discovery Drive, Boulder, CO

Please RSVP by March 5, 2010 to Tonya Neu by e-mail at tneu@rmhgroup.com or by phone (303) 312-4623.
