2011 Fall Social

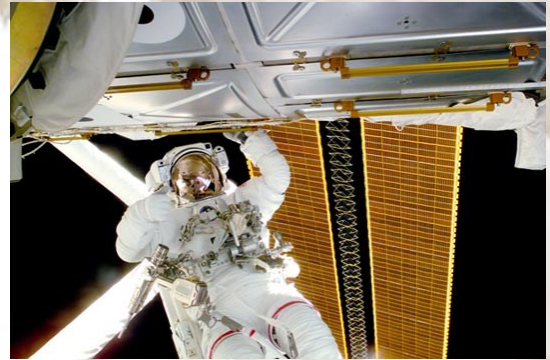

Keynote Speaker: Former NASA Astronaut Joe Tanner

Joe joined the Navy in 1973 and earned his wings in 1975. He served as a A-7E pilot with Light Attack Squadron 94. In 1984, Joe started working for NASA Johnson Space Center as an aerospace engineer and research pilot. He was selected as an astronaut candidate by NASA in 1992. Joe is a veteran of four space flights and has logged over 1069 hours in space including over 46 EVA hours in seven space walks. On one of his space walks, Joe worked on the Hubble telescope.

Joe retired from NASA in 2008 and is currently a senior instructor in the University of Colorado Aerospace Engineering Sciences Department in Boulder, Colorado. He teaches and mentors undergraduate students in space design.

We will also have the jazz group, MoDaZz , performing.

MoDaZz has a unique blend of smooth jazz covering, fusion, and jazz standards. Featuring Greg Peticolas on saxophone, Steven Leavengood on drums, Dale Ramsey on bass, and Dan Jones on guitar. MoDaZz is quickly gaining momentum in its genre as a band with strong potential and unlimited possibilities.
